

Found No. evidence of stone  
 Dug hole 6'x20'x2' deep across  
 road grade has been cut down 4.5 Ft.  
 Wilbur Bingham, land owner North  
 and West stated he had seen stone  
 in place in center of road, between  
 2 corner posts and is positive this  
 been destroyed by road work. Fences  
 S, and W, have been on present  
 location with no dispute for many  
 years, and are considered to have  
 been set from true corners when  
 stone was in evidence.

Set now over broken rockery on  
 edge of limestone, with 2" x 6" x 8"  
 limestone over mon. 2" below surface.
