

Found 8'x6'x10" granite rock on end
 3.5' below surface, 4" below level
 of Precious Road Bed. Henry
 Herold land owner in sec 1 -
 77-22 stated he had seen
 this corner stone before road
 fill was made. Identified &
 verified its location.
 Lowered rock directly beneath
 its original position over 1-2"
 horse shoe tile. Set C.M. over
 original stone. Placed 4'x6'x10"
 granite stone over C.M.
