

Found 2 sandstones, one 11"-9"-4"
one 8"-8"-4" over 2-2" round tile
(Watkins tile.)

The top of top rock 2^{ft} under
surface.

Right where we set Men.

Set Men. over both tiles left in place.
Both stones on North side of Men.
at base. We put a large rock on west
side Men. sticking above surface.
