Public access to the meeting was available in-person and electronically. Chairman Raymie opened the regular session at 9:00 A.M.

Unless otherwise indicated, all the motions offered at this meeting were carried with the following vote:

Ayes: Raymie, Jahner, McCombs Nays: None Abstentions: None Absent: None

Agenda:

Jahner moved and McCombs seconded to approve agenda as posted.

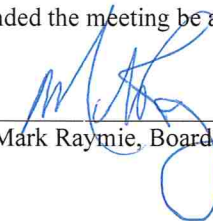

Business:

The Board discussed the potential purchase of a used Weiler Reclaimer for the Road Department. Marion County Engineer Tyler Christian reported Jasper County did not appear to be interested in a joint purchase anymore. The equipment is available on an online auction with 1 hour to go. Christian reported the current bids indicated the price would end up higher than his previously indicated threshold. He further recommended it would probably be too much money at this time due to price and Jasper County not participating. Raymie indicated it would be a struggle for him to justify the cost at this time due to limited use and not being shared. Further discussion involved cost of new equipment, chemical use and funding. There was not a consensus of the Board to continue pursuing the purchase of the equipment at this time. Jahner moved and McCombs seconded to close discussion.

Adjournment:

There being no other business, Jahner moved and Raymie seconded the meeting be adjourned at 12:05 P.M.
